

# YOUR PET'S SEIZURE DIARY

PET'S NAME:

OWNER'S SURNAME:

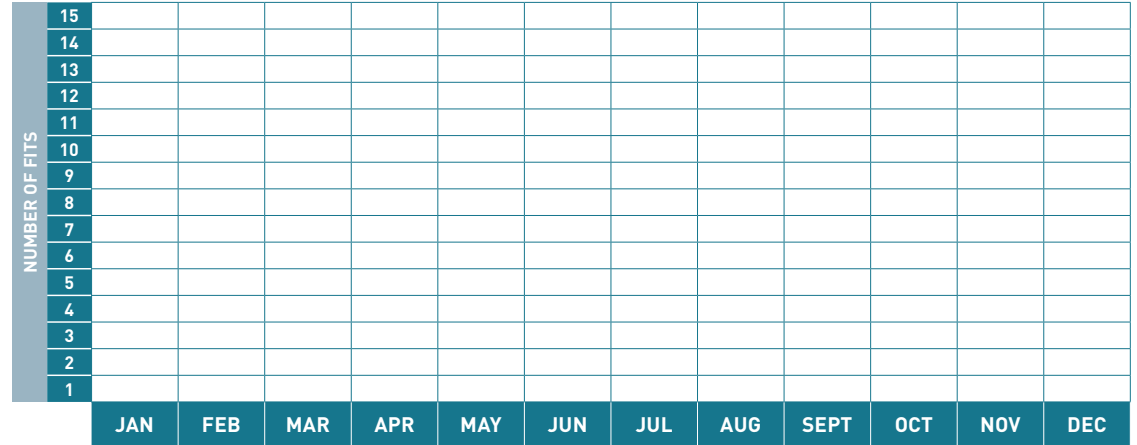

Please record every time your pet has a seizure in the following chart, keeping a log of this activity will help you and your vet notice any changes in frequency.

## HOW TO FILL IN THE DIARY:

Write down at the end of everyday the total number of seizures that have occurred, circle any dates when the medication was changed by your veterinary surgeon. If female, please highlight the dates your pet was in season.

## PLOTTING YOUR PET'S PROGRESS:

This seizure graph will help plot how controlled your pet's epilepsy is. Please mark the total number of fits observed at the end of each month.
